

BRIGHTER LIVING – KITE MAKING AND FLYING DAY

Club Wheelock has organized a Kite Making and Flying Day for its members and Mr. Chen Kin Chuen, Chairman of Hong Kong Sky Kite Association, was invited to grace the occasion with us. In addition, he coached the members personally during a kite-making session held at the Wheelock Gallery. Members expressed their creativity to the fullest while making the kites, creating a very enjoyable atmosphere.

After the seafood lunch at Po Toi O, members proceeded to Tai Hang Tun at Clear Water Bay Country Park. At the destination, members flew their kites while enjoying the cool breeze, followed by Mr Chen giant kite flying demonstration. It was both a relaxing and invigorating experience.
