

MEMBER PRIORITY VIEWING OF PENINSULA EAST

Situated at a prime location, Peninsula East is the focal point of the area. The sales gallery of Peninsula East covers an area of over 16,000 sq.ft. with an elegant and modern design, demonstrating a sense of metropolis. Stepping into the foyer, visitors are impressed by French artist Arik Levy's famous sculpture "Rock Triple Fusion Vertical". The museum alike sales gallery blends the art and culture with living. Club Wheelock members were invited to the preview and were privileged to enjoy an exclusive 3% discount on property purchase.

Lex Coffee - A combination of Art and Coffee

Wheelock Properties partnered with specialty café Lex Coffee to provide a social platform for art and coffee lovers at Wheelock Gallery West. The design concept of the café is inspired by residential development Lexington Hill, featuring natural wood and stone to create a home alike environment. Comprised of more than a thousand coffee beans, a bold expression of the relationship between art and coffee, the coffee bean art on the feature wall is a creation from the students of Hong Kong Design Institute.

Both coffee and art take time to taste, appreciate and learn. Wheelock Gallery West will be an ideal place for various art and culture activities to inspire a new perspective of living space. Come and explore all the possibilities that coffee and art could inspire you. Furthermore, Club Wheelock Premier and Elite members enjoy 20% and 15% discount on a-la-carte menu at Lex Coffee respectively.

Lex Coffee serves rare specialty coffees with high-quality coffee beans from Guatemala — Geisha Orange Honey, Blooming Geisha and Solar Noon Geisha, with different degree of roast and brewing methods to bring out the origin's characters and styles.
