“Young Innovators Bazaar” Joint School Sharing

Over 500 students from 25 secondary schools of Project WeCan program showcased their entrepreneurial acumen and creativity at the “Young Innovators Bazaar” at Plaza Hollywood in Diamond Hill. Students were given an opportunity to stimulate their entrepreneurial spirit and experience by running their own retail business from scratch. It emphasized leadership, problem solving, negotiation skills, teamwork and preparation for the competitive business environment. The unfailing support from

students, teachers and corporate volunteers made it a success. Award Presentation Ceremony cum Sharing Session was earlier held in The Chinese University of Hong Kong. At the ceremony, a short video showcased the memorable moments of the bazaar. In addition to the sharing of their unforgettable moments and experiences, students also took the challenge of the role-play game to demonstrate their customer service and problem solving skill.

Wheelock Results Announcement - Behind the Scenes

To give students the opportunity to witness the senior executives of a listed company to report the overview of latest business development and financial performance to the media, Wheelock Properties specially arranged their partner school students to attend the 2014 Annual Results Announcement. After the media session, Chairman of Wheelock Group Mr. Douglas Woo had an in-depth discussion with students.

Mentorship English Cooking Class

Wheelock Properties partnered with Ng Yuk Secondary School to implement a mentorship programme for more than a year. This mentorship programme aimed to enhance interaction between mentors and mentees through various activities, thus establishing good channels of communication. An English Cooking Class was held recently to bond mentors and mentees together in a bustling kitchen, to learn cooking skills in an English environment as well as to promote a healthy vegetarian culture. Mentors and mentees cooked a pumpkin pot and other dishes together, and displayed their best cooking abilities. At the end of the event, each mentor and mentee received a beautiful potted plant that symbolize ‘seedlings thriving with good care’ which reflects the mission of the mentorship programme.

Lane Crawford Warehouse Visit

“Project WeCan” aims to provide students with the knowledge other than books. Three participating schools - Ng Yuk Secondary School, HKSKH Bishop Hall Secondary School and Lai Chack Middle School were arranged to visit Lane Crawford Warehouse. Students were given an introduction of the latest retail market overview and explored the logistic arrangement and operation environment of a large department store. Through the employee’s sharing, students learnt more about workplace and career information.
