Project WeCan

Young Innovators Bazaar 2016

Project WeCan Young Innovators Bazaar, a large-scale indoor bazaar organized by secondary school students, held at Plaza Hollywood, Diamond Hill. Over 1,000 students from 41 schools ran their businesses from scratch, unleashing their creativity, entrepreneurship and caring spirit yet competing to achieve sales targets over the three days. In its fourth year, the Bazaar is themed Social Inclusion in 2016. Students demonstrated their caring spirit for the society as they run their businesses. In addition, four NGOs including Christian Action, Hong Kong Single Parents Association, iBakery from TWGHs

and Senior Citizen Home Safety Association joined hands with Project WeCan students to promote the caring spirits through product sales.

Students grasped this learning opportunity from Project WeCan Young Innovators Bazaar to cumulate their business experience, and to lay the foundation for the future to join the workplace or even starting their own businesses.
