SPRING 2016 COLLECTION  
— A NIGHT FOR EYES &  
TASTE BUDS**

Ralph Lauren's Spring Collection for women is a modern expression of the glamorous spirit of the French Riviera. It has a romantic rusticity and a luxurious sportiness, showing the cool insouciance of a woman's beauty. Club Wheelock arranged a private tour to the new women's collection in a graceful atmosphere, serving the vintage champagne collection by the world-renowned Louis Roederer with food pairing. This is a romantic night to remember, for the eyes and for the taste buds.
