

WELLENDORFF GOLDSMITH INSPIRATIONAL WORKSHOP

German jewellery manufactory Wellendorff dedicated to the exceptional art of craftsmanship on fine jewellery making. Club Wheellock members experienced an inspiring workshop with the Wellendorff Goldsmith, to discover the secrets and philosophy behind the 120 years of jewellery manufacturer. Members were shown the smelting, milling and invited to create their own silky gold rope. As a highlight of the event, the "Ring of the City" exhibition enabled members to appreciate the limited editions of selected cities at the same time in Hong Kong.

VAN GOGH CLOCK & ART EXHIBITION – MEET THE CEO OF L'EPÉE

The Van Gogh Museum in Amsterdam is having an unprecedented collaboration with top European clock manufacturer L'Epée, enabling some of the masterpieces to be featured in "Van Gogh - The Moments Recaptured" limited clock collection at Gallery by the Harbour. Club Wheellock members are invited to the exhibition and meet with Mr. Arnaud Nicolas, CEO of L'Epée, who shares the conceptual bonding of art and timepiece. Besides, the RELIEVO™ Collection brought guests a collectable item of 3D reproductions of Van Gogh's most celebrated masterpieces.
