

NEW FORMULATION OF MTM CUSTOM-BLENDED EYE MASK PRIVATE EXPERIENCE

To celebrate MTM's 25th anniversary, Club Wheelock members were invited to a private preview of the latest custom-blended eye mask. Guests showed off their artistic flair with a Japanese traditional Kagami-biraki ceremony, water-painting exhibition, customized fresh flower ring workshop, postcard drawing class, detox juicy mixology presentation as well as herb tattoo-sticker that highlight the core ingredients in the new eye mask.

FAMILY YOGA EXPERIENCE DAY

Club Wheelock members spent an afternoon stretching and unwinding on Family Yoga Experience Day. Under the guidance of FITMIND yoga instructors, parents and children performed a series of yoga postures and sun salutations as little ones were raised in mid-air to join in the fun. Apart from relieving bodily tension and easing bundled-up from their daily grind, families also enjoyed great bonding time.
