**PEARLFECTION MOMENT COCKTAIL PARTY
WHEELOCK HOLDS THE JOB TASTING PROGRAMME
FOR THE 7TH CONSECUTIVE YEAR**

Pearlfection Moment Cocktail Party

Pearls have always been one of the most popular jewelries with superb colors and stylish temperament that signify perfection and purity. In the past, only noble and dignified women used to wear the pearl jewelry, but pearls are currently trending again and reemerging in the attention of jewelry designers.

Black pearls are the most valuable and prominent among the classic off-white pearls. Their preciousness has earned the reputation of the Pearl Queen. In reality, a truly black body color just does not exist in the world. The pearls come in a remarkable range of colors, such as blue, purple, brown and the most coveted coloration “peacock”. That is why black pearls are one of the favorite jewelries among designers.

In addition, high-quality black pearls are extremely rare comparing to the total amount of pearls produced in the world. There are less than 150,000 pieces annually. And the black pearls are mostly produced in few places which 95% of the world’s black pearls are produced in Tahiti.

Club Wheelock recently co-organized the Pearlfection Moment event with Tahitian Pearl Association Hong Kong and invited more than a hundred and eighty VIP guests and members to attend the cocktail party at Wheelock Lounge. The alluring charm of Tahitian black pearls was well demonstrated during the event that night. Miss Jewelry Hong Kong Kimmy, the famous actress Eunice and Jacqueline and the popular model Stephen H showcased the award-winning pieces of the JNA Jewelry Design Competition. They made the highlight of this gorgeous event and showed the ingenuity of pearl jewelry perfectly.

Tahitian Pearl Association Hong Kong was also built an achievement on charity as selling black pearl accessories in charity bazaar to showcase the pearl accessories are versatility despite being luxurious. VIP guests indulged in fine wine and cuisine during the exquisite fashion show of pearl jewelry showing the ultimate “Pearlfection” – the perfect combination of pearls and design.
