

# Celebrating Easter with Customised Cushions

## DIY復活節咕啞活動

A house is not a home without scatter cushions. They are little artworks that add colour and comfort to a space. In celebration of Easter, we held a two-day workshop at the marketing suite of Ocean Marini. Apart from viewing showflats of Ocean Marini of the O'East series, visitors could design their own scatter cushion covers by customising the layout with a wide range of clip arts and monograms. Everyone enjoyed themselves on this joyous occasion and left grinning from ear to ear with their personalised cushions.

咕啞是每個家都不可或缺的藝術品。它們除了為空間增添色彩，帶來生氣，還給人一種舒適感。我們一連兩天於Ocean Marini展銷廳舉辦了DIY復活節咕啞活動，讓大家參觀Ocean Marini示範單位之外，更可自選圖案和文字印製獨一無二的復活節咕啞，與大家歡度復活節。一眾參觀者都盡享當日歡樂氣氛，滿載而歸！
