

# Scents of Belonging that Last Florever

## 不朽之花 點綴家居

Flowers liven up any environment as if by magic. The fragrance fills the surroundings and the colour creates an artistic sense of decoration. The 'Everlasting Flower Aromatherapy Table Lamp Workshop' held by Club Wheelock in mid and late May did more than that – retaining the beauty and scents of flowers in full bloom in the form of a table lamp glowing softly. With a maximum capacity of 8 participants each, two sessions were held at Wheelock's MONTEREY and OASIS KAI TAK respectively, attracting active participation.

花散發清幽香氣、艷麗動人，如魔術般為任何環境增添生氣。於五月中下旬由會德豐舉辦的「永生花香薰夜燈工作坊」更把鮮花製作成永生花香薰夜燈，保留花卉盛開之美，伴以馥郁芬芳的香氣，散發出柔和光線，為家居注入藝術氣息。工作坊分別於會德豐集團旗下的MONTEREY和OASIS KAI TAK 舉行，各開設兩個時段，每個時段名額限8人，參加反應熱烈。
